Good morning:

On behalf of the Ottawa Police Service (OPS), I am requesting the immediate assistance of our National Capital Region policing partners in diverting truck convoys from entering the downtown core of the City of Ottawa. The OPS is seeking both resources and cooperation as we work to limit additional impact of truck convoys on residents of the City of Ottawa.

Requests of services are as follows:

OPP

- Request to assist with temporary ramp closures while convoy entering the down town core and directing of convoys towards staging areas.

Staging areas

Sureté du Quebec

- Due to capacity in the downtown core, request to assist with diverting traffic towards the City of Gatineau and prevent access to the city of Ottawa Police Service
- Monitoring of the MacDonald Cartier Bridge and preventing any convoy from entering the City of Ottawa

Gatineau Police and RCMP

- Request to work with the Sureté du Quebec in directing vehicles to the staging areas and making sure that no convoys enter the City of Ottawa via any interprovincial bridge
- Northbound closure of the Chaudière Bridge, the Potage Bridge and Alexandra Bridge

RCMP

- Request to work with the Gatineau Police and OPS and making sure that no convoys enter the City of Ottawa via any interprovincial bridge

We are incredibly grateful for the assistance your services have, and continue, to provide us. Should you have any questions or concerns, please contact S/Sgt. Denis Hull (REDACTED).

Thank you,

Peter Sloly

Chief of Police
